

Alps-Adriatic-Alliance: Call for financial applications from 15th April to 31st May 2022

Your initiative is most welcome – make use of this year's first call for applications to hand in your ideas for projects that contribute to a lively exchange and deepened cooperation within the entire network of the Alps-Adriatic Alliance!

The first call of the year starts on 15th April and closes on 31st May 2022.

The Alps-Adriatic-Alliance supports:

- preparation costs for the submission of a project within the framework of appropriate EU-programs (e.g. Europe for Citizens, ERASMUS+, Creative Europe, etc.), and
- joint projects that are in the overall common interest of the network.

Please make sure that your project proposal meets the following criteria:

- Projects financed by the AAA must involve the absolute minimum of three regular members of the AAA from three different countries.
- The more **project partners** involved, the higher the chance for approval.
- All members of the AAA must have the opportunity to be part of the project.
- The role of each partner should be described in the application.
- The expectable added value of the project for the entire AAA must be clearly described in the application form and is subject to evaluation after the project is completed.
- **The general outreach of the project (participants, possible visitors, expectable media reception, printed and/or online publication of results etc.) is essential.**
- All small-scale projects must support the Priority "Strengthen Community Cohesion", as defined in the Alps-Adriatic Strategy "SAA-2027" (see pp. 59/60 of "SAA – 2027")
- **The Thematic Coordination Points are ready to support you with information and an extensive network at any time.**

Please send your application form to the responsible Thematic Coordination Point (TCP) by May 31st 2022, 23:59 hours. You find all relevant contacts on the AAA-website, where you also can download the application form and implementation guidelines in the "Downloads" section.
